1. I must register before diving, according to my diving plan and confirm the receipt of the diving rules.
2. I need a valid one medical dive certificate. Diving under the influence of narcotic drugs is prohibited. Dive Insurance is recommended.
3. I must use complete equipment suitable for cold water and according to DIN EN250. Mandatory are two separately lockable breathing systems from which I can also breathe myself. If one device fails, additional and functional taring means must be available. My diving cylinder is in a proper and perfect condition for filling and therefore does not pose a danger to third parties. I only use the self-filling system if I have received annual instructions for it.
4. a. max. Dive depth: 25 m - Bronze, OWD, AOWD, equivalent
40 m - Bronze + 100 Dives, Silber, Rescue, or equivalent
45 m - Silver + 100 Dives, Gold, DCS, DM, or higher
15 m - Nightdives

b. Deep water training dives I must book beforehand. My dive buddy must have at least gold or a higher certification.
c. My deep dive special is recognized if I can prove at least 40 dives.
5. A safety stop of 3 minutes at 3 m is mandatory.
My highest deco stage is 3 m, my residual pressure at least 40 bars.
My buddy distance must not exceed 3 m.
If I lose my buddy contact, I must surface immediately as stated. (See Nos. 8:11)
6. As a DI I decide upon my own responsibility, adapted to the circumstances, about the number of students diving with me.
At the shaker (E3) all training dives are forbidden.
I may only dive on the shaker if I can prove at least 40 dives, 5 of them in cold water.
7. I can use a Scooter if I can prove at least 100 dives. I accept the scooter rules.
8. When diving with Nitrox my O2 partial pressure is max. 1.4 bar.
9. Solo diving and diving between 23.00 - 06.00 o'clock is forbidden.
10. I must keep a distance from "objects" or gain access to them. Damages will be regarded as property damage.
11. I will be banned from diving if I do not register before diving, if I initiate the rescue chain through negligent conduct, or if I violate these diving rules.
12. In case of an accident, I must cover all related costs, even for false alarms caused by my behaviour. I take note that there may be no pressure chamber available within a reasonable distance.
13. With my signature on the registration form I unconditionally accept all rules valid here.
