

DIVE RULES

RECREATIONAL DIVING

Dive Center Kreidensee GmbH & Co. KG Cuxhavener Str. 1 21745 Hemmoor
Tel. 04771-7921 from 09.00 Hours www.kreideseetaucher.de Booth: 01/18

- 1. I must register before diving, according to my diving plan and confirm the receipt of the available sea sketch, as well as the diving rules.**
- 2. My medical dive certificate must not be older than two years. After the age of forty, it must not exceed one year. Diving under the influence of narcotic drugs is prohibited. Dive Insurance is recommended.**
- 3. I must use complete equipment suitable for cold water and according to DIN EN250. Mandatory are two separately lockable breathing systems from which I can also breathe myself. If one device fails, additional and functional taring means must be available.**
- 4. a. max. Dive depth: 25 m - Bronze, OWD, AOWD, equivalent
 40 m - Bronze + 100 Dives, Silber, Rescue, or equivalent
 45 m - Silver + 100 Dives, Gold, DCS, DM, or higher
 15 m - Nightdives**
 - b. Deep water training dives I must book beforehand. My dive buddy must have at least gold or a higher certification.**
 - c. My deep dive special is recognized if I can prove at least 40 dives.**
- 5. A safety stop of 3 minutes at 3 m is mandatory.
My highest deco stage is 3 m, my residual pressure at least 40 bars.
My buddy distance must not exceed 3 m.
If I lose my buddy contact, I must surface immediately as stated. (See Nos. 8:11)**
- 6. As a DI I decide upon my own responsibility, adapted to the circumstances, about the number of students diving with me.
At the shaker (E3) all training dives are forbidden.
I may only dive on the shaker if I can prove at least 40 dives, 5 of them in cold water.**
- 7. I can use a Scooter if I can prove at least 100 dives.
Driving at the WS, as well as with visibility under 10m, is forbidden.
When diving with Nitrox my O₂ partial pressure is max. 1.4 bar.**
- 8. Solo diving and diving between 23.00 - 06.00 o'clock is forbidden.**
- 9. I must keep a distance from "objects" or gain access to them. Damages will be regarded as property damage.**
- 10. I will be banned from diving if I do not register before diving, if I initiate the rescue chain through negligent conduct, or if I violate these diving rules.**
- 11. In case of an accident, I must cover all related costs, even for false alarms caused by my behaviour. I take note that there may be no pressure chamber available within a reasonable distance.**
- 12. With my signature on the registration form I unconditionally accept all rules valid here.**
